JDH/AMH

16th July 1976

Dear Friends and Colleagues:

I have pleasure in enclosing up-to-date information about the 10th General Assembly and Scientific Conference of IAMCR to be held in Leicester from August 30th to September 4th, 1976.

You will be pleased to know that we have received numerous applications to attend the Conference, from all over the world. The attendance will be in the region of 300, undoubtedly the largest we have ever had. Such has been the demand and the pressure on accommodation and services that unfortunately we have not been able to accept registrations for some time now. Fortunately we have been able to accommodate in the main conference site all those whose registration forms reached us by the final registration date, May 1st. We have done our best to accommodate late registrations in nearby hotels but we have had to disappoint some would-be participants. We are sorry about this but our facilities have now been stretched to the limit.

It would be most helpful if you could remember that the remainder of the Conference fee should reach us here at Leicester by August 15th. Please try to keep to this date and contribute to the smooth running of the Conference.

Arrangements for the Conference are progressing reasonably satisfactorily although not all those who agreed to prepare formal papers for the main session were able to meet the agreed deadline of July 1st. Consequently some of the papers will be a little behind schedule in reaching the discussants and I apologise for this. However, we intend that the invited papers will be available for distribution to all Conference participants by Monday, August 30th. Some additional papers will also be available at the Conference and details about these and the proposals for informal discussions, working groups, special sessions, etc., are enclosed together with further information about accommodation, programme, timetable, etc.

If you have any enquiries or require any further information about the Conference please write to Mrs. Peggy Gray at the above address. If you have any comments about the Statutes or any suggestions for business for the meeting of the Executive or General Assembly, please let me know as soon as possible.

Looking forward to seeing you all in August, and wishing you a pleasant journey to Leicester.

Yours sincerely,

James D Halloran
President - IAMCR

OBITUARY

It is with the deepest regret that I inform you of the death of one of our Honorary Presidents and founder members Professor F. Terrou. I wrote some time ago, on behalf of the Association, expressing our regrets and deepest sympathy to his family and colleagues.
